DRAMA

Kalamazoo Central provides a variety of opportunities for students interested in Drama, ranging from technical theatre to acting. Technical theatre includes costumes, make-up, lighting, props, and sets. This year, many Central students took advantage of these opportunities in the Band Follies, "The Unsinkable Molly Brown" "Peter Pan," and the Forensic Contests.

With the co-operation of the women's faculty, Central's Pep Club scheduled a powderpuff basketball game. The Pep Club versus Faculty game was held at Hackett's gym on December 9, 1968. Although Pep Club played well, Faculty won. The officials at the game were Mr. Hagman and Mr. Topp. The faculty brought their own cheerleaders: Mrs. Miller, Mrs. Morton, Mrs. Riege, and Mrs. Ward. The coaches for the two teams were Mrs. Hinga for Faculty and Mrs. Johnson for the Pep Club.

C.H.S. STUDENT SENATE

The 1968–69 student government at Central is striking out in new directions; concentrating on reforming its aims at student needs. The House of Representatives has taken over much of the usual Senate duties while the Senate has organized into three commissions aimed at solving student problems through research and investigation. A new constitution is being written, in hopes of reshaping student control within the school. Although the Senators have found the road rough, this year's student government can be termed the most representative.

A typical Senate meeting.

Considering this year's record, the Little Maroons appear strong prospects for next year's varsity.

Coach Bill Topp led this year's little Maroons to an eleven and five (11–5) win-loss record, including two Holiday tournament victories against Portage Central and Portage Northern. The team scored high throughout the season and ended the season by beating Ann Arbor.

Coach Topp reports that the Junior Varsity squad works toward three goals: (1) work on defense; (2) play together; (3) intensity to play varsity ball. Since these were obtained, the season was very successful.

Buzz Burrell and Don Cohen look forward to State berths in the 2 mile as does Don Shilts in the shotput. This years schedule includes fourteen meets, one of which is the Mansfield relays, the largest High School track meet in the world. Last year, Central placed 11th of about 600 teams. CLOSING MEMORIES

Senior Banquet ..... *May 27*

Senior Tea ..... *May 29*

Baccalaureate ..... *June 1*

Senior Prom ..... *June 3*

Commencement ..... *June 5*

In September of 1966, a record-size class converged on Central High. This class was our class, the class of 1969. The class of '69 was a class that would put CHS in the spotlight many times and for many reasons.

That first September we spent two weeks feeling very much out of place. And then came the first football game. KCHS beat Portage Central in that first game, and we all felt like real high schoolers after we had cheered for our team.

We held our first class elections early in October. At that time we showed the rest of the school that we had a group of kids in our class that were eager to work for us and for CHS. This was obvious because we had 25 sophomores running for our six class offices, many more than in recent years. The newly-elected officers set about to write our constitution and to earn money for our all-important senior year.

Late in October, we took part in our first homecoming. We were good at yelling and we out-yelled even the seniors in the yelling contests, but when it came to float making we were easily defeated in the class float competition.

In the following months sophomores demonstrated their importance to the rest of the school. Our main show-off place was the sports. Both the reserve football and basketball teams walked off with honors and sophomore standouts in other varsity sports made many CHS victories possible.

All too quickly, June came and the hard working sophs had to start thinking about next year. But summer went quickly, too, and we were back at CHS as juniors in a year that got off to a fast start. It seemed as if classes had just started when it was time for homecoming. The class of '69 broke a longstanding tradition at this homecoming by becoming the first junior class in years to lose the float contest. As artists, we really failed.

That fall we saw CHS hit the headlines for more than their great sports teams as CHS was the scene of disturbances. The remainder of the year students spent much of their time on committees trying to improve racial relationships at CHS.

Despite our problems, CHS continued to make other headlines. In our junior year we watched our football team battle to a state ranking of seven, and watched our other teams take many other honors.

Our class dominated student government in our junior year also. Over half of the officers and over half of the members of our student Congress were members of the class of '69.

Our class also held the special honor of presenting one of the best Junior Proms that CHS has ever seen. "See you In September" was not only a social success, but also a financial success; one of the first to have such an honor in over ten years.

After the prom in May, we spent our last days saying good-bye to the seniors and dreaming of next fall when it would be our turn to be King of the mountain.

Come second semester, we could see our senior activities all falling into place. Despite a small treasury, we managed to have all the projects a senior class should have. We subsidized and published the largest Delphian in recent years, we were able to have an excellent banquet speaker, we held a successful prom, "Treasure These Few Moments" at Nazareth College, and we managed to get through graduation on June 5.

Now that our three years are over, we have much to remember. And after weighing them all together, we must thank CHS for the truly widespread education she gave us.
